## CREATE ALL KINDS OF SHAPES

### INSTRUCTIONS

1. Remove cap from tube.
2. Use point inside the top of cap to puncture an opening at top of tube.
3. Screw on balloon blower as shown.
4. Position key on bottom of tube and begin to roll up tube until plastic material reaches the end of the balloon blower.

5. Slowly blow through the opposite end of the balloon blower to start inflating balloon. Pinch off the balloon with your fingertips when the balloon is fully inflated to seal the balloon.
