INSTRUCTIONS

1. You should make sure your nails are clean and dry before applying *Petite Miss*[®] Nails.
2. Use the *Petite Miss*[®] Nail which best fits your natural nail. *Petite Miss*[®] Nails may be filed or cut for a better fit.
3. Use the adhesive tab which best fits your natural nail. Always handle the adhesive tab carefully. Do not touch the adhesive side.
4. Affix the tab to your natural nail with the rounded end closest to your cuticle, sticky side down. (Make sure the adhesive tab is only on your natural nail and not in direct contact with your skin.) Press firmly. Affix tabs to all nails before applying *Petite Miss*[®] nails.
5. Carefully Peel Off the top paper tab. Do not touch the adhesive that remains on your nails.
6. Align *Petite Miss*[®] Nails on your own nails, press firmly onto adhesive. Do not slide nail into place and, once in place, do not move the nail. (If you make a mistake, remove the nail and start again with a new tab.) Avoid getting your *Petite Miss*[®] Nails wet for at least an hour after applying.
7. To remove *Petite Miss*[®] Nails, gently and slowly pry each nail away from the cuticle. If adhesive remains, it can be removed by rubbing with your finger.

IMPORTANT : Do not apply *Petite Miss*[®] Nails directly to your own nails with any type of glue. Use enclosed or similar self-adhesive tabs only. Do not leave *Petite Miss*[®] Nails on for longer than 48 hours. Allow minimum of 12 hours before re-applying nails. Do not use *Petite Miss*[®] Nails if your own nails are thin, infected or damaged. Keep nails from heat and open flame.
